

## MANUFACTURER'S CERTIFICATION STATEMENT American Recovery and Reinvestment Tax Act of 2009

Guardian Energy Technologies certifies that the following insulation materials are "Eligible Building Envelope Components" that qualify for the Federal Tax Credit for existing homes which is allowed under the American Recovery and Reinvestment Tax Act of 2009. The primary purpose of Foam It Green kits is to insulate. Foam It Green is an Air Barrier and Class III Vapor Retarder. Foam It Green is long-lasting and does not sag or settle. Its useful lifetime far exceeds 5 years in standard applications.

- Foam It Green Class 1 Polyurethane Spray Foam Insulation Kit
- Foam It Green Slow Rise Polyurethane Spray Foam Insulation Kit
- Foam It Green High Density Polyurethane Spray Foam Insulation Kit
- Foam It Green Low Density Polyurethane Spray Foam Insulation Kit

To the best of my knowledge and belief, these facts are true, correct and complete.

Mark Munns  
Business Manager  
Guardian Energy Technologies, Inc.

For Tax purposes, homeowners are strongly advised to consult their tax professional and keep their purchase receipts.
